Dear friends,

In the last days of April and the beginning of May, via France, we travelled to Spain to perform The Golden Sun in Els Poblets.

How amazingly strong, full of warmhearted people was this trip to Spain. The element Fire was transforming all sorts of polarities into real brother and sisterhood. Creating a Living Golden Sun connection in our hearts.

First in Els Poblet, Denia, where Marielle and Juan organized a Golden Sun ceremony in the local parc. Many countries and ages were represented. The ceremony ended with a fantastic Paella and a deep connection with the see, the Greenwich point and the incredible Maria church in Els Poblets.

The next morning we went to Montserrat, where we would meet Andrea and her friends for a second, spontaneous Golden Sun ceremony. It was the 1th of May and very crowded. But during the sunset we did a silence but very strong ceremony near the Monastery, on the plaza of the 12 Apostels.

What a powerful miracle and what a deep friendships grows out of this golden Sun meetings!! On the road we were able to connect with the powers of Chartres and Vezelay to make this trip complete.

This journey of The Golden Sun was important to feed the seed of the sister and brotherhood; the family of the heart. Thank you for being with us. We, the driver Gerah and I, felt uplifted during the long ride and long days.

If you are interested to organize a ceremony in your country, do know that it's an Artwork. As you can see on the pictures; every situation requires another form. So don't hesitate to ask. Be aware that it creates a very strong vortex.

Big hug and warm greetings from my heart, Frouk
